

ANNOUNCEMENT

INTERVENTIONAL CARDIOLOGY MEETING

9 & 10th February 2024

Venue : The Kingsbury Hotel, Colombo, Sri Lanka

In association with

**Sri Lanka
College of
Cardiology**

Welcome Message

Dear Colleague,

We are very excited to announce that the 14th Bangla Interventional Therapeutics will be held in Colombo, Sri Lanka on the 9th and 10th February 2024.

We wish to make this an opportunity to thank all of you who helped to make the previous meetings very successful. As before we will be organising a vibrant and diverse scientific programme.

Topics such as primary PCI, left main stem intervention, CTO, multi-vessel and bifurcation lesions, radial intervention, carotid intervention and device closure of congenital heart defects will be discussed. In addition, new developments in TAVI and drug coated balloon angioplasty will also be addressed.

We are delighted to announce that world renowned interventional cardiologists will attend and deliver speeches and participate in live cases in the upcoming BIT meeting.

Do join us with the 14th Bangla Interventional Therapeutics on 9-10th February 2024 in Colombo, Sri Lanka for yet another exciting and enriching educational experience.

Please submit your abstracts/cases directly to course directors or through the conference website at <http://www.summit-bit.com>.

Course Directors

Dr. W. S. Santharaj
Srilanka

Prof. Rabin Chakraborty
India

Dr. Afzalur Rahman
Bangladesh

LEARNING OBJECTIVES :

- Dissemination of knowledge among the interventional cardiologists.
- Update on newer modalities in complex coronary interventions.

TARGET ATTENDEES :

- Interventional cardiologists.
- Young cardiologists intending to build career in interventional cardiology.
- Cath Lab Technicians & Nurses

PROGRAM HIGHLIGHTS :

- Live Case Transmission
- State-of-the-Art Lectures
- Interesting Case Presentations
- Meet the Experts Session
- How should I Treat ? Session
- Interaction case corner
- Training Village
- Live in-a-box session
- Cath Lab Nurses & Technician session

MAJOR AREAS OF INTEREST :

- Future stent technologies
- Drug Coated Balloon Angioplasty
- Primary PCI
- Left main PCI
- Chronic total occlusion, multivessel and bifurcation PCI
- PCI complications
- TAVI
- Expert opinion on a particular case management : How should I treat?
- Heart failure Case reviews with expert
- Device closure of congenital heart disease
- Peripheral Intervention
- Clinical Cardiology Hypertension & Dyslipidemia

DEADLINE FOR SUBMISSION : 04 JANUARY, 2024

INTERESTING CASE SUBMISSION :

Case must be submitted in MS Power Point within 10 slides.
Case may be structured as follows -

- Introduction
- Relevant investigations prior to interventions
- Angiographic findings
- Procedures and techniques used
- Conclusion

ABSTRACT SUBMISSION:

- Introduction/Background
- Materials & Methods
- Results
- Conclusion

CASE(S)/ABSTRACT TO BE SUBMITTED TO:

Conference website : www.summit-bit.com
or
Directly to the Course Directors

Secretariat:
